Independent Auditor's Report

To the Board of Directors of the Northwest Iowa
Multicounty Regional Juvenile Detention Center:

We have audited the accompanying basic financial statements of Northwest Iowa Multicounty Regional Juvenile Detention Center as of and for the years ended June 30, 2005 and 2004. These financial statements are the responsibility of the Center's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall basic financial statements presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Northwest Iowa Multicounty Regional Juvenile Detention Center at June 30, 2005 and 2004, and the results of its operations and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

In accordance with Government Auditing Standards, we have also issued our report dated October 11, 2005 on our consideration of Northwest Iowa Multicounty Regional Juvenile Detention Center's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations and contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Management's Discussion and Analysis on pages 5 through 8 is not a required part of the basic financial statements, but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. We did not audit the information and express no opinion on it.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Northwest Iowa Multicounty Regional Juvenile Detention Center provides this Management's Discussion and Analysis of its financial statements. This narrative overview and analysis of the financial activities is for the fiscal year ended June 30, 2005. We encourage readers to consider this information in conjunction with the Center's financial statements, which follow.

FINANCIAL HIGHLIGHTS

The Center's operating revenues decreased 1.6%, or \$8,679, from fiscal 2004 to fiscal 2005.

The Center's operating expenses were .3%, or \$1,647, more in fiscal 2005 than in fiscal 2004.

The Center's net assets increased 18%, or \$45,421, from June 30, 2004 to June 30, 2005.

USING THIS ANNUAL REPORT

The Northwest Iowa Multicounty Regional Juvenile Detention Center is a single Enterprise Fund and presents its financial statements using the economic resources measurement focus and accrual basis of accounting which is the same measurement focus and basis of accounting employed by private sector business enterprises. This discussion and analysis are intended to serve as an introduction to Northwest Iowa Multicounty Regional Juvenile Detention Center's basic financial statements. The annual report consists of a series of financial statements and other information, as follows:

Management's Discussion and Analysis introduces the basic financial statements and provides an analytical overview of the Center's financial activities.

The Statement of Net Assets presents information on the Center's assets and liabilities, with the difference between the two reported as net assets. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the Center is improving or deteriorating.

The Statement of Revenues, Expenses, and Changes in Net Assets is the basic statement of activities for proprietary funds. This statement presents information on the Center's operating revenues and expenses, non-operating revenues and expenses, and whether the Center's financial position has improved or deteriorated as a result of the year's activities.

The Statement of Cash Flows presents the change in the Center's cash and cash equivalents during the year. This information can assist the user of the report in determining how the Center financed its activities and how it met its cash requirements.

The Notes to Financial Statements provide additional information essential to a full understanding of the data provided in the basic financial statements.

FINANCIAL ANALYSIS OF THE CENTER

Statement of Net Assets

As noted earlier, net assets may serve over time as a useful indicator of the Center's financial position. The Center's net assets for fiscal 2005 totaled approximately \$294,000. This compares to approximately \$249,000 for fiscal 2004. A summary of the Center's net assets is presented below.

	<u>Net Assets</u>	
	<u>June 30,</u> <u>2005</u>	<u>2004</u>
Current assets	\$279,455	\$256,441
Property and equipment, less accumulated depreciation	<u>36,125</u>	<u>23,199</u>
Total assets	<u>315,580</u>	<u>279,640</u>

Unrestricted	<u>257,803</u>	<u>225,308</u>
Total net assets	<u>\$293,928</u>	<u>\$248,507</u>

The invested in capital assets (12%, e.g., buildings and equipment), are resources allocated to capital assets. The remaining net assets (88%) are the unrestricted net assets that can be used to meet the Center's obligations as they come due.

Statement of Revenues, Expenses, and Changes in Net Assets

Operating revenues are received for services provided juveniles who await court disposition. The Center provides a physically secure, emotionally stable and safe environment for these individuals until final court ruling. Operating expenses are expenses paid to operate the Center. Non-operating revenues and expenses are for interest income and the loss on disposal of assets. The utilization of capital assets is reflected in the financial statements as depreciation, which allocates the cost of an asset over its expected useful life. A summary of revenues, expenses, and changes in net assets for the year ended June 30, 2005 is presented below:

	<u>Changes in Net Assets</u>

The Statement of Revenues, Expenses, and Changes in Net Assets reflects a positive year with an increase in the net assets at the end of the fiscal year.

In fiscal 2005, operating revenues decreased by \$27,777, or 5.1% primarily a result of changes for service fees decreasing by approximately \$36,000 due to a decrease in the number of stays. Operating expenses decreased by \$943 or .2%.

Statement of Cash Flows

The Statement of Cash Flows presents information related to cash inflows and outflows, summarized by operating, capital and related financing, and investing activities. Cash provided by operating activities includes County fees and the State allocation reduced by payments to employees and to suppliers. Cash used from capital and related financing activities includes the purchase of capital assets. Cash provided by investing activities includes interest income.

CAPITAL ASSETS

At June 30, 2005, the Center had approximately \$36,000 invested in capital assets, net of accumulated depreciation of approximately \$108,000. Depreciation charges totaled \$7,051 and \$8,613 for fiscal years 2005 and 2004, respectively. More detailed information about the Center's capital assets is presented in Note 4 to the financial statements.

ECONOMIC FACTORS

Northwest Iowa Multicounty Regional Juvenile Detention Center continued to improve its financial position during the current fiscal year. However, the current condition of the economy in the state continues to be a concern for Center officials. Some of the realities that may potentially become challenges for the Center to meet are:

Facilities at the Center require constant maintenance and upkeep.

Technology continues to expand and current technology becomes outdated presenting an on going challenge to maintain up to date technology at a reasonable cost.

ECONOMIC FACTORS - (Continued)

The Center anticipates the current fiscal year will show a significant increase in receipts and disbursements due to the addition of the tracking, monitoring and outreach services fees which will be collected, and salaries and expenditures paid for tracking, monitoring and outreach services for juveniles, which went into effect on July 1, 2005.

NORTHWEST IOWA MULTICOUNTY REGIONAL JUVENILE DETENTION CENTER
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2005 AND 2004

1. Summary of Significant Accounting Policies

Northwest Iowa Multicounty Regional Juvenile Detention Center (d/b/a Northwest Iowa Youth Emergency Services Center) was formed in 1989 by eleven northwest Iowa member counties pursuant to the provisions of Chapter 28E of the Code of Iowa. Three additional counties subsequently joined the organization. The Center provides detention and shelter care of juveniles.

Northwest Iowa Multicounty Regional Juvenile Detention Center is governed by a Board comprised of one representative from each of the following member counties: Cherokee, Plymouth, Ida, Buena Vista, Carroll, O'Brien, Humboldt, Lyon, Pocahontas, Sac, Dickinson, Clay, Emmet, and Crawford.

The Center's financial statements are prepared in conformity with U.S. generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board.

A. Reporting Entity

For financial reporting purposes, Northwest Iowa Multicounty Regional Juvenile Detention Center has included all funds, organizations, agencies, boards, commissions, and authorities. The Center has also considered all potential component units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the Center are such that exclusion would cause the Center's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body, and (1) the ability of the Center to impose its will on that organization or (2) the potential for the organization to provide specific benefits to, or impose specific financial burdens on, the Center. Northwest Iowa Multicounty Regional Juvenile Detention Center has no component units which meet the Governmental Accounting Standards Board criteria.

B. Basis of Presentation

The accounts of Northwest Iowa Multicounty Regional Juvenile Detention Center are organized as an Enterprise Fund. Enterprise Funds are used to account for operations (a) financed and operated in a manner similar to private business enterprises, where the intent of the governing body is the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

C. Measurement Focus and Basis of Accounting

The financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The Center applies all applicable GASB pronouncements, as well as the following pronouncements issued on or before November 30, 1989, unless these pronouncements conflict with or contradict GASB pronouncements: Financial Accounting Standards Board Statements and Interpretations, Accounting Principles Board Opinions, and Accounting Research Bulletins of the Committee on Accounting Procedure.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2005 AND 2004

1. Summary of Significant Accounting Policies - (Continued)
 - C. Measurement Focus and Basis of Accounting - (Continued)

The Center distinguishes operating revenue and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the Center's principal ongoing operations. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

- D. Assets and Liabilities

The following accounting policies are followed in preparing the Statement of Net Assets:

Cash Equivalents - The Center considers all short-term investments that are highly liquid to be cash equivalents. Cash equivalents are readily convertible to known amounts of cash and, at the day of purchase, have a maturity date no longer than three months.

Property and Equipment - Property and equipment are accounted for at historical cost. Depreciation of all exhaustible fixed assets is charged as an expense against operations. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets. Leasehold improvements are amortized over fifteen years and equipment is depreciated over a five to ten year life.

The cost of repairs and maintenance is charged to expense, while the cost of renewals or substantial betterments is capitalized. The cost and accumulated depreciation of assets disposed of are deleted, with any gain or loss recorded in current operations.

Compensated Absences - Center employees accumulate a limited amount of earned but unused vacation and compensatory time off hours for subsequent use or for payment upon termination, death, or retirement. The Center's liability for accumulated vacation has been computed based on rates of pay in effect at June 30, 2005 and 2004.

2. Cash and Investments

The Center's deposits in banks at June 30, 2005 and 2004 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against depositories to insure there will be no loss of public funds.

The Center is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Center; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

The Center had no investments meeting the disclosure requirements of Governmental Auditing Standards Board Statement Number 40.

Interest rate risk - The Center's investment policy limits the investment of operating funds (funds expected to be expended in the current budget year or within 15 months of receipt) in instruments that mature within 397 days. Funds not identified as operating funds may be invested in investments with maturities longer than 397 days but the maturities shall be consistent with the needs and use of the Center.

3. Pension and Retirement Benefits

The Center contributes to the Iowa Public Employees Retirement System (IPERS) which is a cost-sharing multiple-employer defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits which are established by state statute to plan members and beneficiaries. IPERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to IPERS, P.O. Box 9117, Des Moines, IA, 50306-9117.

Plan members are required to contribute 3.70% of their annual covered salary and the Center is required to contribute 5.75% of annual covered payroll for the years ended June 30, 2005, 2004, and 2003. Contribution requirements are established by state statute. The Center's contributions to IPERS for the years ended June 30, 2005, 2004, and 2003 were \$18,730, \$17,716, and \$19,505, respectively, equal to the required contributions for each year.

4. Property and Equipment

A summary of property and equipment and accumulated depreciation for the years ended June 30, 2005 and 2004 is as follows:

	Balance June 30, 2004	Additions	Deletions	Balance June 30, 2005
Leasehold improvements	\$ 90,954	\$9,130	\$ -	\$ 100,084

6. Operating Lease

The Center leases a copy machine. Rental expense incurred for this lease was \$1,085 for the year ended June 30, 2005. Minimum amounts payable under this operating lease are as follows:

7. Related Party Transactions

Total charges for services during the years ended June 30, 2005 and 2004 were \$375,769 and \$412,118, respectively. The member counties were billed \$150 per diem for juvenile detention services provided. Non-member counties were billed \$175 per diem for juvenile detention services provided.

8. Risk Management

The Center is exposed to various risks of loss related to torts; theft, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. The Center assumes liability for any deductibles and claims in excess of coverage limitations.

9. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

10. Unusual Item

The Center received an insurance settlement in connection with illegal acts performed by the prior Center director. The gross amount of the settlement was \$25,000 and the Center received \$16,508 after deducting expenses associated with this in the amount of \$8,492.

Independent Auditor's Report on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Governmental Auditing Standards

To the Members of Northwest Iowa
Multicounty Regional Juvenile Detention Center:

We have audited the financial statements of Northwest Iowa Multicounty Regional Juvenile Detention Center as of and for the year ended June 30, 2005, and have issued our report thereon dated October 11, 2005. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Northwest Iowa Multicounty Regional Juvenile Detention Center's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. However, we noted a matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect Northwest Iowa Multicounty Regional Juvenile Detention Center's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. The reportable condition is described in the accompanying Schedule of Findings.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we believe the reportable condition described above is a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Northwest Iowa Multicounty Regional Juvenile Detention Center's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Comments involving statutory and other legal matters about the Center's operations for the year ended June 30, 2005 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statements of the Center. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

This report, a public record by law, is intended solely for the information and use of the members and customers of Northwest Iowa Multicounty Regional Juvenile Detention Center and other parties to whom the Center may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of Northwest Iowa Multicounty Regional Juvenile Detention Center during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

SCHEDULE OF FINDINGS

YEAR ENDED JUNE 30, 2005

Findings Related to the Financial Statements:

INSTANCES OF NONCOMPLIANCE:

No matters were noted.

REPORTABLE CONDITIONS:

- A. Segregation of Duties - One important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible. The mail should be opened by someone who does not have access to the accounting records. A list of all checks received should be prepared and this list should then be agreed to amounts posted to the accounting records.

Recommendation - We realize that with a limited number of office employees, segregation of duties is difficult. However, the Center should review its control procedures to obtain the maximum internal control possible under the circumstances.

Response - The Center has continued a limited segregation of duties. One full-time employee without access to the accounting records, opens mail, records the checks and compares totals to the month end total of the checking account statement. Any discrepancies are brought to the Director's and accounting firm's attention.

Conclusion - Response accepted.

Other Findings Related to Statutory Reporting:

1. Official Depositories - A resolution naming official depositories has been adopted by the Center. The maximum deposit amounts stated in the resolution were not exceeded during the year ended June 30, 2005.
2. Questionable Expenditures - No expenses that may not meet the requirements of public purpose as defined in an Attorney General's opinion dated April 25, 1979 were noted.
3. Travel Expense - No expenditures of money for travel expenses of spouses of Center officials or employees were noted.
4. Bond Coverage - Employees were covered by a surety bond during the year ended June 30, 2005.
5. Board Minutes - No transactions were found that we believe should have been approved in the Board minutes but were not.
6. Deposits and Investments - No instances of non-compliance with the deposit and investment provisions of Chapter 12B and 12C of the Code of Iowa and the Center's investment policy were identified.
